

CURRICULUM VITAE

PERSONAL INFORMATION

NAME	Zsófia Csajbók, Ph.D.
NATIONALITY	Hungarian
ADDRESS	Pátkova 2137/5, 182 00 Prague 8, Czech Republic
E-MAIL	csajbok.zsofia@gmail.com
ORCID ID	0000-0002-5800-1597
WEBPAGE	https://zsofiacsajbok.weebly.com/
RESEARCHGATE	https://www.researchgate.net/profile/Zsofia_Csajbok2
GITHUB	https://github.com/ZsofiaCsajbok

CURRENT AFFILIATION

Faculty of Humanities, Charles University, Prague, Czech Republic
 Assistant Professor of Psychology and Postdoctoral Researcher
National Institute of Mental Health, Klecany, Czech Republic
 Statistical and psychometric consultant

EDUCATION

10.2016 – 09.2020	Charles University , Prague, Czech Republic – Ph.D. Programme Faculty of Science, Theoretical and Evolutionary Biology programme <i>Supervisor:</i> doc. Mgr. Jan Havlíček, Ph.D. <i>Dissertation:</i> Mate preferences and their integration to mate choice
09.2013 – 02.2016	Eötvös Loránd University , Budapest, Hungary – Master's degree Institute of Psychology, Clinical and Health Psychology specialization <i>Supervisor:</i> Mihály Berkics, Ph.D. <i>Master's thesis:</i> Factors of mate preferences: A systematic overview of methodological approaches and an original research in measuring ideal standards of mate preferences
09.2010 – 06.2013	Eötvös Loránd University , Budapest, Hungary – Bachelor's degree Institute of Psychology, Psychology programme <i>Supervisor:</i> Mihály Berkics, Ph.D. <i>Bachelor's thesis:</i> Budget-allocation and assortativity in mating habits from an evolutionary perspective

LANGUAGES

English – fluent in speaking, reading, and writing (C1 - CEFR)
 French – passive knowledge (B2 - CEFR)

SKILLS

- Professional user of **Mplus** (9 years) and **SPSS** (13 years) statistical programmes
- Experienced user of **R** (2 years), **Excel** (15 years), **SQL** (2 years), **Tableau** (1 year)
- Internationally certified **Person-Centred Counsellor**, experienced in **Family and Relationship Therapy**

TEACHING INTERESTS

- Multivariate statistics
- Structural equation modelling
- Research methodology
- Thesis supervision
- Academic writing
- Evolutionary psychology
- Human mate choice
- Physical and mental health
- Peer counselling, time management
- Person centred counselling

GRANTS

MAIN RECIPIENT

2024	Erasmus+ Staff Mobility: Learning about cross-cultural personality psychological research at the Institute of Psychology, Cardinal Stefan Wyszyński University in Warsaw
2023	Erasmus+ Staff Mobility: Learning about journal and volume editing at the University of Padua, Italy
2023 – 2025	Czech Science Foundation 23-05379S (Principal Investigator): Exploring the dynamics of depressive symptoms in intimate relationships (220,000 EUR)
2023 – 2025 (declined to accept grant above)	PNRR MUR Young Researchers 2022 MSCA - SoE @UNIPD: Exploring the dynamics of depressive symptoms in intimate relationships (150,000 EUR)
2023 – 2024 (declined to accept grant above)	MSCA Seal of Excellence @UNIPD 2022: Exploring the dynamics of depressive symptoms in intimate relationships (100,000 EUR)
2022	Charles University Cooperatio Program (207 015; 207 333): Research area Psychological Sciences (4,500 EUR)
2019	Charles University Travel Grant: Research visit to learn dyadic data analysis at the University of Montréal, Canada
2019	Erasmus+ Staff Mobility: Studying odour sampling, the functioning of gas chromatography, and the measurement of other biometric data at the University of Stirling, United Kingdom
2019 – 2021	Charles University Grant Agency (GAUK) 1118119 (Principal Investigator): Mate preferences and their relation to actual mate choice: Comparison between the Additive and the Threshold Models (26,000 EUR)
2018	Erasmus+ Study Fellowship: Testing the effects of MHC-similarity in human mate choice on a twin sample at the University of Stirling, United Kingdom (3,600 EUR)
2015	Eötvös Loránd University Travel Grant: Research visit to conduct an international comparative study of peer counselling practices in Oxford and London, United Kingdom

TEAM MEMBER

2022 – 2024	Czech Science Foundation 22-27522S: Active parental influence on their offspring's romantic relationships
2021 – 2024	Czech Science Foundation 21-31490S: Nationwide research of sexual behaviour, preferences, and wellbeing in the Czech population: Current situation and trends
2019 – 2022	Czech Science Foundation 19-14801S: Minority stress in non-heterosexuals in the Czech Republic
2019 – 2021	PRIMUS/19/MED/08: Prevention of mental illness: Role of early-life risk factors
2018 – 2023	University Research Centres (UNCE) 204056: Nature and Culture: Historical, cultural, and biological concepts of human nature
2017 – 2019	European Social Fund CZ.03.3.X/0.0/0.0/15_124/0006067: Methodology for evidence-based development of mental health services (MERRPS project)
2018 – 2020	Charles University Grant Agency (GAUK) 1742218: Exploring various types of romantic relationships in a transforming society
2018 – 2020	Czech Science Foundation 18-15168S: Effect of parental characteristics on mate choice
2017 – 2019	Czech Science Foundation 17-11983S: Testing the "grandmother hypothesis": Transgenerational effect on reproduction based on parish registers from the 17th-19th century Bohemia
2016 – 2018	Czech Science Foundation 16-03899S: Perception of potential opponents and allies in physical encounters
2017 – 2019	Charles University Grant Agency (GAUK) 1436317: Influence of parental morphological and olfactory characteristics on mate choice
2016 – 2018	Charles University Grant Agency (GAUK) 52216: Sympatric cultural divergence and its evolutionary significance
2013 – 2017	University Research Centres (UNCE) 204004: Nature and Culture – Interaction of Cultural and Biological Evolution in an Interdisciplinary Perspective

AWARDS

2023	Marie Skłodowska-Curie Actions – Postdoctoral Fellowships (101107147): Seal of Excellence (score ≥ 85)
2022	Marie Skłodowska-Curie Actions – Postdoctoral Fellowships (101067258): Seal of Excellence (score ≥ 85)

RESEARCH EXPERIENCE

- 05., 09.2023
short-term research visits
- from 11.2022
statistical consultant
- from 1.2022
postdoctoral researcher
- from 11.2022
researcher
- 11.2021 – 06.2022
statistical analyst
- 01.2018 – 12.2021
statistical analyst
- 09.2016 – 06.2020
junior researcher
- 1.2021 – 12.2021
postdoctoral researcher
- 01.2019 – 12.2021
researcher
- 11.2019
short-term research visit
- 06.2019
short-term research visit
- 03.2018 – 08.2018
study fellowship
- 09.2015
short-term research visit
- 01.2011 – 06.2011
research assistant
- Personality, Relationships, and Evolutionary Psychology [PREP] Lab, University of Padua, Italy**
- led by **Peter Jonason, Ph.D.**, learning about journal and volume editing
- Faculty of Arts, Charles University, Prague, Czech Republic**
- participation in questionnaire development, psychometric consulting, statistical analysis, academic writing
- Faculty of Humanities, Charles University, Prague, Czech Republic**
- conducting independent research on the evolutionary psychology of human mate choice at the *Department of Psychology and Life Sciences*
- National Institute of Mental Health, Klecany, Czech Republic**
- *Evolutionary Sexology and Psychopathology Laboratory*: Statistical and psychometric consulting, statistical analysis, academic writing
 - *Sexual Minority Mental Health Research Project*: Multiple mediation analysis, path-modelling, academic writing
- Public Mental Health, Epidemiology Research Group**: Employing complex statistical methods in epidemiological research on mental health and teaching structural equation modelling
- Human Ethology Research Group**: Employing and teaching advanced statistical methods and research tools in social studies
- Faculty of Science, Charles University, Prague, Czech Republic**
- conducting independent research on the evolutionary psychology of human mate choice at the *Department of Philosophy and History of Science*
- Second/Third Faculty of Medicine, Charles University, Prague, Czech Republic**
- conducting research on the early life risk factors of mental illnesses at the *Department of Epidemiology*
- Sexual Health Research Laboratory, University of Montréal, Québec, Canada**
- led by **Prof. Sophie Bergeron, Ph.D.**, learning dyadic data analysis, e.g., dyadic latent class growth modelling
- University of Stirling, Stirling, United Kingdom**
- under the supervision of **Prof. Craig Roberts, Ph.D.** and **Ben Langford, Ph.D.** studying odour sampling, the functioning of gas chromatography, and the measurement of other biometric data
- University of Stirling, Stirling, United Kingdom**
- under the supervision of **Prof. S. Craig Roberts, Ph.D.** and in cooperation with **Anthony J. Lee, Ph.D.** testing the effects of MHC-similarity in human mate choice on a twin sample
- Student Minds, Oxford and Peer Support Group, London School of Economics, UK**
- international comparison of student counselling services (see in the list of publications: Csajbók & Tóth, 2015)
- Budapest University of Technology and Economics, Hungary – Department of Cognitive Science**
- participation in testing and development of software for intelligence and memory research, data collection for pilot studies

TEACHING / MENTORING

- from 01.2022
assistant professor
- Faculty of Humanities, Charles University, Prague, Czech Republic**
- *assistant professor of psychology* teaching 'Introduction to Psychology' mandatory base lecture, teaching and developing 'Health Psychology', 'Academic writing', and 'Introduction to Quantitative Methods in Social Sciences' seminars
 - participating in student comprehensive examination
 - supervision of Bachelor theses (Klimentová, Shweiki, Tóth)

09.2019 – 12.2019 guest lecturer	Eötvös Loránd University , Budapest, Hungary <ul style="list-style-type: none"> developing its syllabus and teaching the seminar titled ‘How People Choose a Partner: The Evolutionary Psychology of Mating Strategies’
01.2019 teacher assistant	Charles University , Prague, Czech Republic <ul style="list-style-type: none"> contribution to teaching activity in ‘Ethology and Sociobiology’ field course (zoo)
2014 – 2017 supervisor, counsellor	Sziget Festival – Island of Freedom , Budapest, Hungary <ul style="list-style-type: none"> giving the 100+ volunteers 70 hrs of training: crisis intervention, motivational interview, person centred counselling, drug prevention, peer counselling, and psychopathology supervision of volunteer counsellors; counselling with the participants of the festival aiming to reduce risky drug usage; handling acute crisis situations; motivational interviewing
2014 – 2015 test evaluator	National Student Competency Assessment , Budapest, Hungary <ul style="list-style-type: none"> test evaluation of high school students’ competency assessments based on standardized guidelines
2013 – 2018 statistics consultant	Private statistics teaching <ul style="list-style-type: none"> teaching statistical analyses (e.g. EFA, CFA, linear regression, ANOVA), result interpretation, research methodology, planning, reviewing literature etc. thesis supervision and consultation with more than 55 successful private students
09.2013 – 01.2016 coordinator, counsellor	Budapest University of Technology and Economics , Hungary – Student Counselling Service <ul style="list-style-type: none"> organization of professional trainings, peer counselling under supervision, participation in trainings, administration
11.2011 – 01.2016 trainer, counsellor	Eötvös Loránd University , Budapest, Hungary – Peer Counselling Group <ul style="list-style-type: none"> professional training of members, peer counselling under supervision coordinating the group of 40 members, group representation, client administration, preparing reports of performance
PUBLICATIONS	Papers in scientific journals with impact factor: 19 (3 further under review), Papers in peer reviewed scientific journals: 1, Sum of Times Cited (Scopus): 160, H-index (Scopus): 7. Book Chapters: 2, Invited talk: 1, Conference talks: 15, Poster presentations: 4, Other conference abstracts: 12.
